Peter Croker's Path To Better Golf: The Revolutionary Swing Technique for Power, Control, and Consistency:

1 of 1 review helpful Simple correct instruction By Raymond Most golf instruction is like chiropractic The instructor moves your body into unnatural positions and tells you that everything is going to be better Nothing gets better but you give them money Mr Croker s method is different I would suggest first reading the chapter that explains why all of the truisms of regular instruction are wrong In his Path to Better Golf Peter Croker sets out to completely change the way golfers learn to swing the club He begins by stripping away all the misinformation that golfers have picked up while trying to improve their game Then he introduces his Push action movement designed to help create a more natural and coordinated swing The Push Action Swing requires very little practice to perfect and allows golfers to hit the ball more powerfully and accurately w
