**By Ewa Mataya Laurance : The Complete Idiot's Guide to Pool & Billiards** the paperback of the the complete idiots guide to pool and billiards 2nd edition by ewa matay laurence thomas c shaw ewa mataya laurance at barnes the complete idiots guide to pool the complete idiots guide to pool and billiards its a quot;complete idiots guidequot; and will help the quot;complete idiotquot; but for The Complete Idiot's Guide to Pool & Billiards:

51 of 54 review helpful Outstanding from Soup to Nuts By A Customer I have loved the game of billiards for some time but only recently decided to get serious about improving my game I have read other books including The 99 Critical Shots in Pool by Ray Martin This is simply the best book that I have read on the subject The book s scope is ambitious The authors give essential information on all the equipmen You re no idiot of course You know that English isn t just the name of a language it s also the type of spin you use to control the cue ball in pool But when it comes to

racking them up making a break shot and sinking balls in the corner pocket you feel like English is your second language Don t hang up your cue stick yet In her comprehensive book The Complete Idiot s Guide to Pool Billiards Ewa Mataya Laurance one of the world s most accomplished To get a good overview of the basics take a look at The Complete Idiot s Guide to Pool and Billiards Newsday New York May 3 2003 From the Back Cover You re no idiot of course You know
