2 of 3 review helpful Nobody s perfect By Eiji Takano Warning 1 The book is printed with very fine characters Not recommended to the people with vintage eyes Warning 2 This book is completely the same as the book titled Golf The

Thinking Game by the same author I don't usually expect any great swing instructions from a psychologist. But it must be a big ego boost to write a book about the golf swing. This nationally known sports psychologist can show you how to strengthen both the physical and psychological aspects of your game.
