0 of 0 review helpful A Workbook that doesn't Work By Dr Ted Edwards All I can say is that even at \$9.50 you're going to be disappointed with this one. This is a short 121 page book with terrible black and white photos that all should have been reshot. Most of the basic instructional information is short and sweet. No make that sour. This book does have one redeeming attribute. It's what Metzler calls Criterio Acclaimed author of Instructional Models for Physical Education Mike Metzler uses the Personalized Sports Instruction System in Golf Mastering the Basics to allow students and athletes to progress individually through learning modules moving toward match play. The Personalized Sports Instruction System is based on Fred Keller's Personalized Systems of Instruction which has a long history of empirical support. Tennis contains framework for organizing pl
