1 of 1 review helpful Classic By Rachel A must have for any serious golf library Wind s command of the language subject matter are second to none Please share with younger players if only to prevent future references to Tiger Woods as Old School 2 of 3 review helpful Pleased parent By Eric Stott I bought this for my father and he loves it

Here in words pictures the whole story of American golf unfolds from the inspiration of the Scottish game for the exclusive entertainment of millionaires in Newport Tuxedo Park on Long Island the golf madness that swept Chicago in 1895 down to the present day 1975 From the triumphs of Walter Travis Jerome Travers to the glorious 1975 Masters here are the developments of the sport the idiosyncrasies of the players the courses the tournaments the clu
