1 of 1 review helpful Not bad But not great either By Jeremy Loukinas Book is a little weak on content and way to

thin to justify the 70 00 ticket price It is strictly geared towards the golf industry I was hoping when I seen Shop diagrams that I would get a bit of info about some generic shop layouts For instance where to hang hand tools Where do we put irrigation tools etc Book just shows some block diagrams o This book is an essential resource covering all aspects of setting up and efficiently operating a turf maintenance facility The authors discuss the role of the turf equipment manager the most effective shop equipment management techniques for safe and efficient shop operation and specialized diagnostics for turf equipment This information is supported by photos and drawings illustrating shop layouts workflow and organization charts and preventative maintenance f From the Back Cover From set up to operation mdash everything the turf equipment manager needs to know all in one place Inside this book are proven techniques that enable you to design build and manage an efficient and safe turf maintenance facility for gol
