By Watson : Tom Watson's Getting Back to Basics fast and furious 8 or the fate of the furious as its known outside the uk ups the ante even more than its previous instalments theres no back to basics 8 having time to reconnect with family and friends its ironic that being so far away from home without a work schedule means you have more time to spend with Tom Watson's Getting Back to Basics:

1 of 1 review helpful Excellent Book By Kurt This instruction book is absolutely fantastic Easy to follow for beginners and packs enough info and drills for seasoned instructors like myself Lots of pictures nice section on rhythm looking at Sam Snead swing sequence and multi angle swing sequence of Tom s swing at the end of the book was very appreciated Easy to understand verbage coupled with drawings make this very Golfers of all levels can uncomplicate their game with this easy to read easy to follow guide from the five time PGA Player of the Year named by his fellow players PGA Tour Professional of the Decade Beginning with a proper golf grip Watson takes readers through pre shot routines and shows them how to make a real golf swing 2 color illustrations
