By Mark Rowlinson : The Greatest Golf Courses and How They Are Played: North America myrtle beach golf holiday has exclusive information news and deals on almost 80 of the best golf courses in myrtle beach visit one of the many chicago golf courses with your pals family or even a solo run to help sort out that wicked slice you have with your 1 wood The Greatest Golf Courses and How They Are Played: North America:

2 of 3 review helpful A good book with a small ness problem By too_old_to_be_so_indie This book has interesting text some really nice course photographs and illustrated course layouts that add an interesting dimension to what you

could find by looking the course up on Google Earth Unfortunately though the book is disappointingly small I was expecting something larger more the typical coffee table boo The Greatest Courses series gives you a unique insight into the world's most spectacular and important golf clubs Selected by a panel of experts and illustrated with stunning computer artworks this book lets you discover what makes these courses so special and how you would play each hole Golf courses are organized by region in this beautifully illustrated book Each section has a dedicated regional profile which explores key clubs bringing you th About the Author Mark Rowlinson is the author of A Place to Golf and The Times Guide to the Golf Courses of Great Britain and Ireland He has also been associated with the World Atlas of Golf since 1990 both editorially and as a cont
