0 of 0 review helpful Deepak Needs to Take a Lesson From Me By Bill Mack English Deepak Chopra is a fairly cool

dude who lives in an alternate universe where he has most of the money I read all his books and most of the time I just shut up and listen But I m a golfer myself and I think I could give Deepak some pointers on golf enlightenment You see Deepak in my alternate universe I ve completely solved the most diff Deepak Chopra has discovered the delights mdash and frustrations mdash of golf and he is passionate about the game Confronted by the wild ups and downs of his own play he consulted with golf professionals and developed a new approach to the game that any golfer can follow mdash from the novice to the expert The results can be measured not only in increased enjoyment and skill but also in greater wisdom about life beyond the 18th hole Chopra rsquo s own game From Publishers Weekly Chopra turns his mind body eye on golf a recently acquired personal hobby Unfortunately he juxtaposes his metaphysical approach to enjoyment and mastery of the game with a less than masterful fiction about Adam Seaver a 36 year old Bos
