**By Cindy Reid : Cindy Reid's Ultimate Guide to Golf for Women** search through our designer clothes sale for women and find great savings of up to 50 off we have over 2000 designers and 140 boutiques to choose from dotdashes brands help over 100 million users each month find answers solve problems and get inspired dotdash is among the fastest growing publishers online Cindy Reid's Ultimate Guide to Golf for Women:

2 of 2 review helpful It s just ok By Jenn I am just starting to learn the game I have taken a few lessons from the pro at our club and figured reading up on the sport could t hurt The illustrations and photos were good and the book had a few tips that I hadn t heard before but other than that I wasn t impressed It kept repeating you won t be any good

unless you spend 8 10 hours a day practicing I know that practice is When it comes to women and golf it's not just about the swing or the correct putting stroke No one knows this more than Cindy Reid Now the director of instruction at the Tournament Players Club at Sawgrass she's become a world class teacher in an industry long dominated by men But Cindy Reid didn't pick up a golf club till she was in her early twenties and she displays a unique and gifted empathy for the record numbers of women taking up the game too many of w Marcus Allen Cindy has been working with me for years Although I may not be ready for the PGA Tour I always improve immediately after working with Cindy I continue to enjoy the instruction advice and friendship I've received from Cindy Reid
