4 of 4 review helpful Doctor My Eyes By Dukbutr The big problem with this book is you can t read the miniscule text used to illustrate the drawings Don t get this book unless you wish to keep a magnifier handy I m a former newspaper

editor and I can tell you the font size on the drawings is smaller than sports agate really tiny And this book was largely covered in the newer Precision Pool 2nd Ed printin Great pool players know that competing successfully in tournament competition requires more than technical shotmaking skills You also need to be able to execute them under pressure read the table anticipate your opponents shots and maintain your focus throughout the match This advanced insight into the game is what Pool Player s Edge is all about First you ll learn the high level skills and top shelf shots From Booklist General pool instruction books are many and all face the same challenge balancing the different needs of beginning and intermediate players Too many basics and better players will feel cheated t
