1 of 1 review helpful Excellent for absolute beginners wanting to become good at pool By Ed Isenberg The last time I

played pool is probably decades ago and I wasn't good then. Now my 29 year old son has moved back in with his pool table and he and his friends want me to play. I was tired of being unable to even shoot a cue ball into a pocket so I borrowed this book at the library. The difference was visible every time I sharpened your strategy and shot making skills. Whether it's eight ball, nine ball, straight pool or one pocket, Precision Pool will reveal the secrets the pros know in this attractive full color offering. Authors Gerry "The Ghost" Kanov and Shari "The Shark" Stauch leave nothing to chance, sharing the wealth of experience they gained from coaching or competing against virtually every top professional player. Precision Pool contains valuable information that can be obtained only from instructors who have dedicated themselves to the sport. Shari Stauch and Gerry Kanov have that dedication and it is reflected in this book. Precision Pool is required reading for
