1 of 1 review helpful Still a great book but I'd get Mastering Pool instead of By Daniel R Fera This is almost a complete reprint of Mr Fels' first book Master Pool I has some new stuff but it lacks the 1 pocket section Still a great book but I'd get Mastering Pool instead of this one if you only want to purchase one of them 0 of 0 review helpful Disappointing Unlike standard instructional pool books that focus on what to do and how to do it the mere basics

Advanced Pool teaches you why you do what you do the next step to playing better pool George Fels emphasizes the thinking side of what is a decidedly mental game and explains the various popular pool games conceptually rather than on a ball by ball basis You win this game by consistently stringing shots together pocketing one ball while stopping the cue someplace advanta From Library Journal Expanding on his earlier work Mastering Pool Contemporary Bks 1977 o p Fels has produced a guide for the player who wishes to advance beyond the basics He concentrates here on the mental aspects of the game His book s major sections
