By Donald E. McHugh : Golf and the Game of Leadership: An 18-Hole Guide for Success in Business and in Life

a key selling point of golf is that its a game you can play for the rest of your life though it was generally understood that you wont play it well for the texarkana texas and arkansas newspaper includes news sports opinion and local information Golf and the Game of Leadership: An 18-Hole Guide for Success in Business and in Life:

0 of 0 review helpful Awesome leadership manual By Boris I read lots of books Most of them are about self development leadership management and of course golf I find these topics extremely interesting and I love golf When I found out about this book from theauthor himself I was so excited This book exceeded all of my expectations I will definitely read it few more times Highly recommended to those in Assuming you re not Tiger Woods or Annika Sorenstam chances are your golf playing or watching time is interrupted on a regular basis by the demands of your leadership roles But the approach you use on the links translates surprisingly well to the office and the boardroom Golf and the Game of Leadership shows how qualities like focus consistency seeing the big picture and knowing when to be aggressive and when to lay up all can be applied to the way you perfor From Publishers Weekly McHugh a former executive with General Motors and Owens Illinois believes that golf is a perfect analogy for the corporate boardroom game By transferring the strategies that work on the course to the office chances are one will be able
