4 of 4 review helpful Possibly THE definitive pool instruction book A constant and invaluable reference By Philip A

Carr There are so many books on pool out there that it s almost bewildering for the beginner to know which one to buy but if there was one I would recommend without hesitation it would be THIS one First you only have to look at its design It s small enough to take to any pool hall and be inconspicuou Get the most out of your practice sessions and improve your game 150 exercises Learn patterns natural aiming killer safeties and master kick shots Phil Capelle has written the greatest book on practice I have ever read for any sport If you are a beginner or experienced player Capelle s Practicing Pool puts the fun back in practice I highly recommend this book
