Guide to Buying or Selling a Pool Table:

1 of 1 review helpful Good reference for the newbie By UNCfnP Mr Duane has done a good job discussing different pool tables and their care This is not a price guide but it will help you determine what a pool table is worth to you It will help you determine whether that table on craigslist is a steal or a ripoff or whether it is even worth paying someone to move it I recently acquired a vintage table at an estate auction Buying or selling a pool table can be haphazard for anyone who doesn't know what to look for or how to look for it In order of importance I have listed what I think are the ten essential components you should consider and why to make it easier for you to put a value on any pool table Buying or Selling a Pool Table by Mose Duane If you're going to buy a pool table new or used or sell one you need this book it's that simple Why skimp on the price of the book when investing two or three or four thousand dollars or more It
