0 of 0 review helpful Munie the Jitterbug Collection By Marilyn S My husband received this book as a gift and he has gotten so much out of it He has read it at least twice and each time he learns a new lesson It has greatly improved his attitude toward the game and has helped improve his score He also bought 3 additional copies from to give to friends 0

of 0 review helpful Four Stars Munie The Jitterbug Collection is a story about a young man who wants to learn the game the unique characters who mentor him and the lessons he learns along the way These characters are not golf pros but their love of the game their golf skills and their ability to pass along golf knowledge are inspirational One of the joys of reviewing golf books is discovering a title that is truly special and then having the wonderful opportunity to communicate that to others Well in the tradition of the great teachers like Harvey Penick who invariably make the complex simple
