By Richard O'Connor : Honour: A Historical Golf Novel jan 01 2012honour has 10 ratings and reviews gambling drugs sex and professionals invade the bucolic world of american amateur golf in 1909 golf download and read honour a historical golf novel military history membership matters insights from effective churches on new member classes and assimilation Honour: A Historical Golf Novel:

4 of 4 review helpful Great story great history By SQer I loved this book It is a well told story of friends torn apart by a misunderstanding beautifully set against the turbulent development of golf as a national game in the early 1900s As the boyhood friends grow up and choose different lives golf remains their enduring bond even though one stays home to play amateur golf and the other travels all over the country. Gambling, drugs, sex, and professionals invade the bucolic world of American amateur golf in 1909. Golf had been the province of the aristocracy restricted to exclusive clubs and controlled by an elite class. But the game began to change. This historical novel chronicles the story of two boyhood friends who enter this new game and give challenge to the traditional expectations of the game they love. As the old guard ruthlessly tries to maintain control over every facet. About the Author: Richard O'Connor is the author of *Francis Ouimet and the 1913 United States Open* and *Wooden Bat: Baseball Leagues in America*. He has been a competitive golfer for more than fifty years. He received an undergraduate degree from Boston University.
