0 of 0 review helpful Like all the other books about pool that Phil Capelle By Frank L Giordano Like all the other

books about pool that Phil Capelle has written it is loaded with information about the game The diagrams are clear and well explained I have a number of books about pool by Capelle and I can promise you will not be disappointed 0 of 0 review helpful Really the book with Play Your Best 9 10 Ball is the authoritative guide to the two games most played by professionals and that are favorites of amateur players The book covers position play pattern recognition the break defense and strategy The book is packed with practice exercises and the spiral binding makes it easy to set up these shots I think that Phil Capelle should be in the Hall of Fame for his contributions to this wonderful game Just when you thought he was done here he comes with yet another gem Tony Robles Pro Player Instructor Owner Predator Tour and
