1 of 1 review helpful Helping Kids Build A Love Of Golf By Cowboy Bob This is a great book to teach the basics of golf to kids Golf might generally be considered boring by a young child s standards but a big reason for that may be

that they don't understand the game. A parent reading this to their child or a slightly older child reading it on their own can instill an appreciation and love of the game that they can carry. Sam lives on a golf course and has a best friend Max who is a golf ball. When Dad asks Sam to play in the big tournament with him, he explains that there is more to golf than just hitting a golf ball high and far. With the help of Max and some new friends, golf rules, terms, and etiquette are revealed so that Sam will be ready for the big day. By the end of the book, Sam realizes that there are still things to learn but now understands what Dad was talking about.
