more The Golf Swing: It's easier than you think:

1 of 1 review helpful just like almost every other golfer on the planet By Golf Addict PURE GOLD Chris Riddoch declutters the golf swing First things first if you do not have a passive wrist release in your swing you are not swinging the golf club you are hitting just like almost every other golfer on the planet Riddoch emphasizes the use and development of the centrifugal force This is a result of a tight initial I m impressed I can t wait to put the theory to the test A very readable exercise for the golfer who wants to understand the basics of the swing and how to put them to work I totally recommend this book to all golfers Golf Today November 2012 This book is a must for all golfers it is easy to understand and will definitely take you deeper into the rabbit hole and closer to Wonderland It is the perfect stocking stuffer SHAWN CLEMENT PGA coach Canada November 2012
