By Robert Lavala : Basics to Improve Your Game of Pool edit article wiki how to play pool two methods getting started playing the game community qanda when youre first learning how to play pool it can seem like an art cue stick holding tips for the novice pool player Basics to Improve Your Game of Pool:

1 of 1 review helpful Interesting set of drills By Phil Wigglesworth It is what it says It takes you through the basics of the game but then introduces too many hard drills without building you up to the required ability level It does give you concepts to build your game but really the core of the book seems aimed at beginners while the appendix A with the drills seems aimed at an intermediate player wanting to improve Whenever you set out to improve any aspect of your life whether it is for fun or of a more serious nature you will need discipline This one word and the corresponding actions required by it are one of the major reasons people fail to see improvement or significant change in their lives or their game of pool If you have been playing pool for eons then this little book may remind you of things taken for granted or something that is just out of focus Many times we
