0 of 0 review helpful Worst book ever By Matt What a rip off I figured it would have more substance than some cheesy list and then a word puzzle This shouldnt even be for sale It literally is a list with no info on any of the players and a word puzzle Dont waste your money Shame on you Are you looking for a journey that will take you through 100 of the along with funny comments and a word puzzle Then this book is for you Whether you are looking at this book

for curiosity choices options or just for fun this book fits any criteria Creating 100 of the etc did not happen quickly It is thorough look at accuracy and foundation before the book was even started This book was created to inform entertain and maybe even test your knowledge By the ti
