By Michael Ian Shamos : The New Illustrated Encyclopedia of Billiards: Completely Revised find helpful customer reviews and review ratings for the new illustrated encyclopedia of billiards completely revised at amazon read honest and unbiased product the new illustrated encyclopedia of billiards completely revised books other books ebay The New Illustrated Encyclopedia of Billiards: Completely Revised:

9 of 9 review helpful Fantastic reference work and very entertaining By S McCandlish This is a great reference on the terminology history and facts of pool billiards snooker and other cue sports written by the curator of the Billiard Archive i e he knows what he s talking about Stein Rubino s The Billiard Encyclopedia is much larger but the works

are complementary Shamos's is an alphabetical glossary An exhaustive reference on pool billiards snooker and other cue sports completely updated and revised with hundreds of new entries on records rules players and statistics From Library Journal This is a revised and updated edition of Shamos's 1992 encyclopedia researched both from library holdings and the author's own extensive archives of historical materials on billiards and all other cue sports Clearly written entries on game
