0 of 0 review helpful Sweet tales at times too sweet By J P Reynolds In the interest of fairness I 'll admit that I don 't golf I bought the book for research on a golf related project Yes the stories are warm hearted with some being humorous and others being touching mostly in a Hallmark movie kind of way For me they were just a tad too schmaltzy and sentimental However I 'm Chicken Soup for the Golfer 's Soul is a perfect gift for any golfing enthusiast whether their drives land in the sand or on the green This inspiring collection of stories from professionals caddies and amateur golfers shares the memorable moments of the game when despite all odds an impossible shot lands in the perfect position when a simple game of golf becomes a lesson in life Chapters include sportsmanship family overcoming obstacles perfecting About the Author Jack Canfield and Mark Victor Hansen the 1 New York Times and USA Today bestselling authors are joined by Jeff Aubery Chrissy Donnelly and Mark Donnelly Jeff Aubery is an avid golfer who has been involved in the golfing industry
