**By David Sowell : The Masters: A Hole-By-Hole History of America's Golf Classic** while the modern game of golf originated in 15th century scotland the games ancient origins are unclear and much debated some historians trace the sport back to its safe to wonder if weve seen the last of tiger woods in the masters tournament The Masters: A

## Hole-By-Hole History of America's Golf Classic:

0 of 0 review helpful Perfect for Diehard Masters Fan By bhscomics The Masters is my favorite sporting event I watch every second of the coverage and eat up the history of the event I have been looking for a book that shows the history of the course and after a few unsuccessful purchases I found this book The book does a great job of going through the history of the course in an entertaining fashion where it easy could r Revered as the most prestigious tournament in golf the Masters commands worldwide attention In The Masters A Hole by Hole History of America s Golf Classic David Sowell presents a unique compilation of the history and traditions of this event Each hole has its own chapter with a discussion of its layout plus famous and infamous shots on that hole Fore From Booklist Here is the perfect antidote for golf fans sick of the controversy over female membership at Augusta National Golf Club There have been numerous histories of the Masters Tournament of course but S
