2 of 2 review helpful High praise for plugged By Scheroc Plugged is a great parable about the common themes in our

life from work to golf to friendships to family The messages of prioritizing adapting and taking responsibility definitely have hit home with me In the week since I read the book I ve used this technique several times in trying to focus on what really mattered most to me Sometimes I like everyone Part business book part golf novel Plugged resonates long afterwards and provides real world lessons that apply to the home the office or the golf course Chet McGill the dedicated vice president of sales at AlphaMax Manufacturing is under fire Trident their biggest client is being pursued aggressively by a new competitor At the same time Chet is feeling off balance as he preps for a golf tournament in which he rsquo s partnered with Reggie Ward
