1 of 1 review helpful The Scottish Golf Book By JP Czar After reading 50 books on Scotland courses and related topics I have edited my review here This is the best book to buy on the topic Abuntantly readable When researching golf courses in Scotland as well as some of the history of the game this book helps put a photo and visual description

with the courses This book covers not just the b Golf is a Scottish game It has been played by the Scots for centuries and Scotland is its spiritual and cultural home This is a book devoted to one nation's devotion to a game of stick and ball which has bound its countrymen in a spell and today casts its enchantment over the entire world The Scottish Golf Book is a unique account of golf in its traditional home The beginnings of golf and its early development are shrouded in mystery and are part fact and part fable About the Author Malcolm Campbell is a former editor of Europe's most widely read golf magazine Golf Monthly He is an internationally respected golf writer who travels the world to bring to his readers the wonderful world of golf in all its facets from its hi
