By Andrew Klavan : The Long Way Home (The Homelander) dec 01 2009; the long way home has 2640 ratings and 266 reviews mary said well that was funironically enough i read this book on the long way home the long way home the homelander picks up right where the last thing i remember the homelander left off charlie west was a

normal student studying for school studying karate and finding young love when he woke up having lost a year of his life and having been tried and found guilty of murder The Long Way Home (The Homelander):

0 of 0 review helpful A great second book By JennRenee The continuation of The Last Thing I Remember is just as thrilling as the first The story continues and now Charlie West is running with a little more information but just as much confusion Charlie now knows the crime he was committed for and what day it is but there still many holes in his past Where are his parents how did the girl of his dreams become Sometimes you have to go home to find out who you really are Charlie West went to bed one night an ordinary high school student He woke up a hunted man Terrorists are trying to kill him The police want to arrest him for the stabbing death of his best friend He doesn't know whose side he's on or who he can trust With his pursuers closing in on every side Charlie makes his way back to his hometown to find some answers There holed up in From School Library Journal Gr 7-10 In this fast paced sequel to The Last Thing I Remember Charlie West is a fugitive on a mission to discover the truth about the year he can't remember He heads home to search for some answers after a harrowing escape
