By George Connor PGA : Drill Your Way to Great Putting: Use Productive Practice to Shave Strokes Drill Your Way to Great Putting: Use Productive Practice to Shave Strokes:

1 of 1 review helpful George This Book Improved Putting By John R Dipollina As a PGA golf professional myself I found this book to be a wonderful tool to get you to be a better putter George's wealth of knowledge is evident from beginning to end. A must read George has helped me to become a better putter and I'm sure he will help you too. 0 of 0 review helpful Five Stars Young or old tall or short anyone can be a great putter The formula for great putting includes starting the ball on line rolling the ball with precision speed and being able to predict how the ball will break as it rolls. The first two skills can be learned and ingrained through productive practice sessions This book will give you plenty of drills to keep your practice sessions productive and fun Each drill will give you feedback which is the key to great practice About the Author George Connor PGA is the Director of Instruction at Gillette Ridge Golf Club in Bloomfield CT He is a two time recipient of the Teacher of the Year Award from the CT Section PGA and has been teaching coaching golfers for 25 years George is
