Word on Putting:

2 of 2 review helpful Read this book this is good stuff By Louie the Looper Through the years Al Barkow has searched for answers to the game of golf in all its different facets by getting together with the great players and teachers and listening to them The information contained here is borne of the experiences of many an old master This is good stuff 0 of 0 review helpful Four Stars After studying the techniques of the game 's best putters over the past fifty years and helping a few of them write books on the craft I have come up with a consensus on putting technique that will put you in the tour pro class I have found that there are some universals of technique that all golfers at every level of competence can put in their games and lower their scores The consensus culminates in a stroke concept and method that almost all the great putters
