By John Gregory : Golf Rules Made Easy: A Practical Guide to the Rules Most Frequently Encountered on the Golf Course

apr 17 2016nbsp;golf rules made easy has 12 start by marking golf rules made easy a practical guide to the rules most frequently encountered on the golf course golf rules made easy a practical guide to the rules most frequently encountered on the golf course john gregory at booksamillion Golf Rules Made Easy: A Practical Guide to the Rules Most Frequently Encountered on the Golf Course:

1 of 1 review helpful Great for beginners By Bobcat Written in British English its an OK read Some of the rules explanations are rudimentary at best It would be helpful if the actual rules as they are written were cataloged in the real life scenario and explanations Its a book about golf so I still like it If you are brand new to golf and have no idea about any rules or etiquette you absolutely should read this book This simple guide about golf rules is an invaluable guide to the most common rules a golfer is likely to encounter on the golf course This easy guide give you an entertaining and practical reference source to the rules as laid down by the Royal and ancient golf club of St Andrews and also acts as a guide to any infringements and penalties that might occur Aimed at both the beginner and the regular golfer the book follows the progress of two players of differing abilities
