Golf:

1 of 1 review helpful Great By Michael Berish Terrific Really a great book to keep total control of your golf game love it Liked it so much that i bought a second one for the future Love Golf Then you probably have a pile of golf logs lying in a drawer somewhere already Why not use a golf log book so you can have every game you play at your fingertips You can track putts strokes bunkers best shots and pretty much anything else you want to know with this journal By tracking your results on each hole you can see how much better you are playing or worse and then crush your friends the next About the Author Blank Book Billionaire is the creative force behind many different types of blank books or utility books as some people call them They focus on creating books that help people express themselves or simply keep track of things The sky is the li
