4 of 4 review helpful Good advice for the beginner but serious grammar problems throughout By Customer For the

beginner intermediate Allan Sand has put together a decent collection of advice If you play in APA league and are ranked a 5 or less this book has much of what you probably need aside from consistent and thoughtful practice to start beating some of the 6s In my experience people don't move up from level There are two classes of pool players in the world The serious shooter is dedicated to finding ways to gain better control how the cue ball rolls around the table Most players enjoy pool because well it's fun This book is written for you guys This is an introduction to the idea that defensive shooting is just as important as offensive shooting Here is something to remember there are no rules that require you to play stupid shots When you
