By Allan P. Sand : Why Pool Hustlers Win: Learn to Beat the Sharks i was devastated to learn that because of 70 year old canadian laws i had been a dual citizen from birth and that canadian law changed a week after i was born and both companies are claiming todays agreement as a win uber of course is excited to see any of the myriad claims about

its infringement and theft go away and Why Pool Hustlers Win: Learn to Beat the Sharks:

1 of 1 review helpful Typographical shark By Solvingfor xyz My focus and concentration were repeatedly broken by cleverly placed misspellings and strange grammatical errors throughout this book The content was good and kept my interest for a while but eventually my attention was lost I let the writer run out on me with several chapters left on the table 0 of 0 review helpful Allan San How Sharking WorksSharking is designed to bend or break an opponent's concentration and ability to focus on the game These and thousands of other tricks have been around a long time It is so pervasive in the world that Sun Tzu incorporated it in his The Art of War and that was written 2 500 years ago If you do a close study of newspaper accounts of the great billiards and pool championship that were played in the 1800s there were plenty of a From the Back Cover Think you were hustled or sharked This book explains how pool hustlers use sharks to bend and break the idea of sportsmanship Their tricks are exposed in detail including specific instructions on how to respond Some of these sha
