3 of 4 review helpful Cue Ball Control Cheat Sheets By Chuck Burke Excellent diagrams on cue ball positions for  
Pocket Billiards cheat sheets have really enjoyed it There are half table and full table layouts 2 of 3 review helpful One  
Star By dale campbell Quite a waste of time Countless diagrams and very very little instruction 0 of 1 review helpful

How many times has your game died because of a bad cue ball control choice Actually do you really want to remember how many times that happened This has been a big personal problem in the decades that I ve played the Green Game There are so many speeds to hit the cue ball and so many ways to make it spin That means even dead easy shots become very complicated when you have to get shape for the next shot There are literally hundreds of options I m n
