There is a tribute book to be written about the nicest man in snooker — but this isn't it. Whatever else he was, Alexander Gordon Higgins wasn't nice. Unpredictable, wild, demonic and obsessive, for certain The People's Champion. An unstoppable force who single-handedly transformed snooker from a niche sport into a gripping phenomenon. When snooker was at its most popular in the 1980s Higgins was at the peak. About the Author John Virgo is a former top snooker professional. In 1979 he reached the semi-finals of the Embassy World Snooker Championship and later that year became the UK champion. John was a well-respected board member of the World Snooker Association.
