By Rick Priestley : Warhammer Rulebook 1996 warhammer est un univers imaginaire d'heroic fantasy créé dans les années 1980 par la société Games Workshop et développé pour servir de cadre au jeu de Warhammer. This book is the rulebook for the fantasy game of Warhammer. You collect, assemble, and paint an army of your choosing, things like Elves, Orcs, Goblins, vampires, and knights, among other things, and then partake in battles and campaigns with other players. Very useful if you're interested in actually playing the game but not just reading it; it's a rulebook, not meant for enjoyment as an RPG book.
