1 of 2 review helpful Great survey of post Color of Money pool in America By A Customer To play billiards well quipped Charles Roupell is a sign of an ill spent youth That image of vice hustling and threat to the community used to

be a large part of the average American's perception of pool. Then in 1986 *The Color of Money* came along and revitalized the game and ushered in a new era. It's this era in all its i From Minnesota Fats to Fast Eddie pool has always been associated with a fringe scene. Not anymore. More than 30 million Americans men and women play pool. ESPN covers the professional men's and women's billiards tour nightly and the sales of pool tables has skyrocketed in the last five years. *Shooting Pool* documents this hot sport from the slick exclusive upscale rooms that are popping up all over the country to the magic of the fast disappearing f From Library Journal This work by Shamos The Illustrated Encyclopedia of Billiards LJ 11 1 93 and sports photographer Bennett is less a how to text than a photo album replete with over 100 polished images of pool halls and the people who frequent them. These
