0 of 0 review helpful this book is a must have period By Mike K Long story short Billiard Encyclopedia by Vic Stein and Paul Rubino is a an absolute must have for any billiard connoisseur I ve heard 2nd edition contains some

information which can not be found in the 3rd one hence I decided to check that myself 0 of 0 review helpful Excellent reference book on the history of billiards The 2nd Edition of The Billiard Encyclopedia is the only complete book ever written on the sport of billiards pool and related accessories Tracing the origins back to the ball and bat games of the Egyptians the co authors have provided a complete history of the billiards sport as we know it today Lavishly illustrated with hundreds of stunning color plates many B W photos and numerous graphic illustrations much of the visual imagery of this tome has never been se
