2 of 2 review helpful Religious agenda By Gordon Sandine As a pool player of some 22 years I purchased The Pool Room expecting what the blurb promised a story of some very unique characters that frequent a pool establishment While the book does deliver that albeit in a rather pedestrian writing style the later chapters introduce a subplot of

Christian conversion of one of the characters complete with biblical The Pool Room delves up close and personal into the sometimes sordid world of high stakes billiards pool You will be introduced to some very unique characters that frequent a pool establishment that has been in operation for over thirty years in the same location This story has a surprise ending where two anomalies occur that will capture your imagination You will experience the flavor sights and sounds of the real world of a sub culture that many do not know exist
