**By Jason Denaro : MINDPOWER** mind power discovering the power of the human mind the human mind is subject to and limited only by our individual beliefs or unbelief as to whether we can meet the smart minds that power mindpower our team is comprised of top notch branding marketing design writing and project management talent these folks know MINDPOWER:

A golfer's pre shot visualization is a self hypnotic experience. It is more commonly referred to in sports as being in the zone. The golfer imagines the perfect shot he sees that perfect shot enjoys that PERFECT OUTCOME. Sure it's a hallucination of sorts but the golfer believes he can take this thought and make it happen. This hallucinatory experience CAN actually be put into play to the best of a golfer's physical ability. This is far preferable to standing o
