0 of 0 review helpful For the Emperor By Chris Too old to enjoy for me since I did not jump on board the 40k boat until 3rd addition and since then the games has evolved into something amazing This book is for collectors who love nostalgia and want a visual benchmark to compare to as a way and a means to measure growth of their awesome product line The book is a good read but was not what I was expecting 0 of 0 re Original Warhammer 40k Rulebook
